## FOREWORD

The annual is offered to the students at Noble as a record of a year in their lives. We, the staff, have tried to make it as complete as possible, recording the classmates, the classes, and the many special happenings.

In years to come, you will want to know what happened. Turn the pages and relive your 1959-60 school year.

This annual is dedicated to Pat. She is remembered as a person who was always ready to give of herself in service to her class and classmates. In so doing she developed an understanding and appreciation among her fellow classmates.

Pat will always be remembered by each who knew her. In dedicating this annual, the class wishes to extend its own appreciation.

## **PRINCIPAL'S MESSAGE**

Dear Students,

Two common contemporary definitions of NOBLE are: "high station or rank, that distinction of rank in civil society which one derives from noble ancestry," and "having or showing high moral qualities or ideals."

Future graduates of this school will inherit distinction of rank from us, their ancestors, if we practice high moral qualities.

May we have Noble students graduating from a Noble school!

Sincerely,

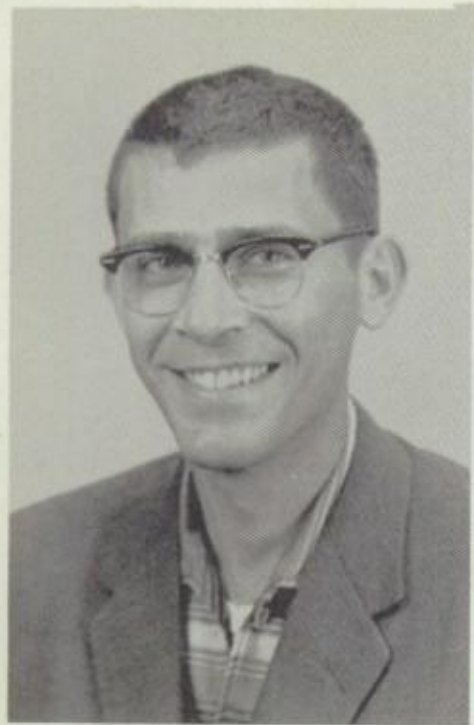

C. O. Duker,  
*Principal*

There are seven 4-H clubs in Noble Township. Demonstration contest, judging contests, and the exhibits at the fair go to make up the 4-H year. The members are taught to lend a helping hand to their neighbors and friends, as in the pledge.

I pledge my head to clearer thinking  
 My heart to greater loyalty  
 My hands to greater service  
 And my health to better living for

Roundup time again!

Steps, steps and more steps.

Lord Chauncey Rhoades Jr. and drinking pals.

The Senior trip to Washington, D.C., was for three days. The Seniors arrived by train in Washington Friday morning, then they toured such sights as the FBI and the Capitol Building.

Friday evening the class saw the movie, "Ben Hur" and spent the night in the Hotel Lafayette.

Early Saturday morning some Seniors met the challenge of walking up and down the Washington Monument. In the afternoon the class toured Arlington Cemetery and Mount Vernon.

The Seniors arrived home Sunday afternoon in good shape for their Baccalaureate that evening.

"I know it's here, somewhere."
